

Welcome to your new community

THE FUTURE OF LIVING

Located in the heart of Shropshire, Allscott's old sugar beet factory will be transformed into a thriving community space. Disused since its closure in 2007, the 64-acre site will be given a new purpose, providing 470 homes, a primary school and retail and business units.

Residents have the perfect balance between modern living and nature, promoting a healthy and balanced lifestyle. This ideal location has a range of local facilities, including pubs and local sports clubs, while Shrewsbury and Telford are both just a 15-minute drive away.

With a range of 2, 3, 4 and 5-bed houses and bungalows on offer, Allscott Meads is ideal for everyone. Each home remains sensitive to local architecture, blending the development into the surrounding area, while Velux roof lights deliver plenty of fresh air and sunlight for healthier living spaces.

All homes include a 10-year structural warranty, and Help to Buy is available on selected plots. For further information and to find out more about buying a home with SJ Roberts, please visit our website at: sjrobertshomes.com.
